FISCAL COURT ORDER
DECLARATION OF LOCAL STATE OF EMERGENCY

On motion by Blake Tarpley, Seconded by Kelly Banton

With all 5 members voting in favor, the motion passed.

The record is ordered to reflect that, pursuant to KRS 67.078, the Simpson County Fiscal Court finds that an emergency exists as follows: a lightning strike occurred at the Detention Center causing several problems, including a major outage of the HVAC system, which requires immediate response and significant un-budgeted expenditures to insure adequate HVAC services are provided to the facility, and requires a budget ordinance amending the existing budget by \$150,000 to allow for necessary purchases; ordinances are required to have publication and two readings before becoming effective, which would be impossible to do to allow for purchases to be made and repairs be completed; therefore, this emergency order will bypass the publication and two readings provision of the ordinance statutes and make said ordinance effective immediately upon passage by the Fiscal Court.
