

**ORDINANCE NO. 230.28**

**AN ORDINANCE AMENDING A PRIOR ORDINANCE ESTABLISHING A CODE OF ETHICAL CONDUCT APPLICABLE TO THE OFFICERS AND EMPLOYEES OF THE COUNTY AND COUNTY AGENCIES**

WHEREAS, the General Assembly of the Commonwealth of Kentucky has enacted legislation requiring this county to enact and enforce a code of ethics governing the conduct of county officers and employees; and

WHEREAS, the officials of this county are committed to the operation of a county government that manifests the highest moral and ethical standards among its officers and employees and desire to comply with all requirements of the Commonwealth's local government ethics law; and

WHEREAS, the County previously adopted, in 1994, an ordinance creating a code of ethical conduct and the Simpson County Fiscal Court deems it appropriate to amend and update this code of ethical conduct.

NOW, THEREFORE, be it ordained by the Simpson County Fiscal Court of the County of Simpson, Kentucky:

**SECTION 1. Title.** This ordinance shall be known and may be cited as the "Simpson County Code of Ethics."

**SECTION 2. Findings.** The legislative body of Simpson County finds and declares that:

- (A) Public office and employment with the county are public trusts.
- (B) The vitality and stability of the government of this county depend upon the public's confidence in the integrity of its elected and appointed officers and employees. Whenever the public perceives a conflict between the private interests and the public duties of a county officer or employee, that confidence is imperiled.
- (C) The government of this county has a duty to provide its citizens with standards by which they determine whether public duties are being faithfully performed, and to make its officers and employees aware of the standards which the citizens rightfully expect them to comply with while conducting their duties.

**SECTION 3. Purpose and Authority.**

- (A) It is the purpose of this ordinance to provide a method of assuring that standards of ethical conduct and financial disclosure requirements for officers and employees of the county shall be clearly established, uniform in their application, and enforceable, and to provide the officers and employees of the county with advice

and information concerning potential conflicts of interest which might arise in the conduct of their public duties.

- (B) It is further the purpose of this ordinance to meet the requirements of KRS 65.003 as enacted by the 1994 Kentucky General Assembly.

- (C) No officer or employee shall intentionally take or refrain from taking any discretionary action, or agree to take or refrain from taking any discretionary action, or induce or attempt to induce any other officer or employee to take or refrain from taking any discretionary action, on any matter before the county in order to obtain a financial benefit for any of the following:
1. The officer or employee;
  2. A family member;
  3. An outside employer;
  4. Any business in which the officer or employee, or any immediate family member has a financial interest, including but not limited to:

- (E) Every officer or employee who has a prohibited financial interest which the officer or employee believes or has reason to believe may be affected by his or her participation, vote, decision or other action taken within the scope of his or her public duties shall disclose the precise nature and value of interest, in writing, to the governing body of the county or county agency served by the officer or employee, and the disclosure shall be entered on the official record of the proceedings of the governing body. The officer or employee shall refrain from taking any action with respect to the matter that is the subject of the disclosure pursuant to Section 7 of this ordinance.

**SECTION 6. Conflicts of Interest in Contracts.**

However, if any contract entered into by the county or county agency officer or employee before he or she became a candidate, was appointed to office, or was hired as an employee, is renewable after he or she becomes a candidate, assumes the appointed office, or is hired as an employee, then the prohibition in subsection (A) of this section shall apply to the renewal of the contract.

2. The prohibition in subsection (A) of this section shall not apply if the contract is awarded after public notice and competitive bidding, unless the officer or employee is authorized to participate in establishing the specifications, awarding the contract, or managing contract performance after the contract is awarded. If the officer or employee has any of the authorities set forth in the preceding sentence, then the officer or employee shall have no interest in the contract, unless the requirements set forth in subpart (3) below are satisfied.
  3. The prohibition of subsection (A) of this section shall not apply in any case where the following requirements are satisfied:

    - (d) A finding is made a part of the official record of the governing body of the county or county agency before the contract is executed.
- (B) Any violation of this section shall constitute a Class A misdemeanor, and upon conviction, the court may void any contract entered into as violation of this section. Additionally, a violation of this section shall be grounds for removal from office or employment with the county in accordance with any applicable provisions of state law and ordinances, rules or regulations of the city.

**SECTION 7. Withdrawal from Participation.**

- (A) An officer or employee must refrain from acting on or discussing, formally or informally, a matter before the county, if acting on the matter, or failing to act on the matter, may personally or financially benefit any of the persons or entities listed in Section 5(C) above. 1. Gifts received from relatives.
  2. Gifts accepted on behalf of the county and transferred to the county.

1. The use is specifically authorized by a stated county policy.
  2. The use is available to the general public, and then only to the extent and upon the terms that such use is available to the general public.

**SECTION 10. Misuse of Confidential Information.**

No officer or employee of the county or any county agency shall intentionally use or disclose information acquired in the course of his or her official duties, if the primary purpose of the use or disclosure is to further his or her personal or financial interest or the personal or financial interest of another person, group or business. Information shall be deemed confidential, if it is not subject to disclosure pursuant to the Kentucky Open Records Act at the time of its use or disclosure.

**SECTION 12. Patronage.**

No officer or employee may promise an appointment or the use of his or her influence to obtain an appointment to any position as a reward for any political activity or contribution.

**SECTION 13. Complicity with or Knowledge of Others' Violations.**

No officer or employee may, directly or indirectly, induce, encourage, or aid anyone to violate any provision of this code. If an officer or employee knows or has reasonable suspicion to believe that someone has violated this code, he or she is required to report it to the Ethics Board.

**SECTION 14. Meeting Attendance.**

All elected county officers and members of county boards and commissions are expected to attend their meetings. It is a violation of this code to miss more than one-third (1/3) of the meetings in a twelve (12) month period, or to miss (3) three consecutive meetings.

**SECTION 15. Personal Conduct.**

No officer or employee shall engage in any illegal conduct or activity. Any officer or employee that is convicted of any misdemeanor or felony while holding an elected office, serving on an appointed board, or employed with the county will be subject to discipline and/or dismissal.

**SECTION 16. Social Media.**

- (A) County officials [including members of boards, commissions, etc.] can maintain a personal presence on social media. However, to be considered personal, there can be no mention of their status as a county official. Any mention of their status as a county official potentially changes the nature of the page, requiring record keeping in accordance with the Kentucky Department of Library and Archives retention schedule and subjecting the entire page to Open Records requests.
- (B) Elected county officials who want to interact with the community on social media in their role as a county official are required to maintain a separate account. County officials will notify the fiscal court clerk of any official page(s) utilized. The fiscal court clerk will maintain an updated list of official pages of county officials.
- (C) County officials shall conduct themselves professionally and as a representative of the county.
- (D) Elected county official pages shall clearly indicate that any content posted or submitted for posting is subject to public disclosure. Additionally, guidelines, if any, shall be posted conspicuously on the page.

- (F) County officials shall not conduct county business through their social media sites. If receiving a specific request from a citizen, the city official shall state: “Thank you for your question. Please email me at [official email address] or contact me at [phone number]. I look forward to speaking with you.” Unless in their elected capacity the business being conducted is their sole responsibility.
- (G) Elected officials shall not discuss issues pending before the Fiscal Court. Elected officials may illicit public input but shall not respond to comments in a manner in which it could be perceived to obligate the County to a particular action or decision. Engaging in substantive conversations on social media could require retention of the posts and may violate the Open Meetings Act if other elected officials are also engaging in the discussion.
- (H) County employees are bound by the county’s social media policies in the Simpson County Administrative Code and Simpson County’s Email, Social Media and Electronic Communications Policy.

**SECTION 17. Email.**

- (C) Nothing in this section shall prohibit any officer or employee from representing

himself or herself in matters concerning his or her own interests.

**SECTION 19. Post-Employment Restriction.**

No officer or employee of the county or county agency shall appear or practice before the county or any county agency with respect to any matter on which the officer or employee personally worked while in the service of the county or county agency for a period of one (1) year after the termination of the officer's or employee's service with the county or county agency.

- (B) No office or employee of the county or a county agency shall supervise or manage the work of an immediate family member.
- (C) No officer or employee shall participate in any action relating to the employment or discipline of an immediate family member, except that this prohibition shall not prevent an elected or appointed official from voting on or participating in the development of a budget which includes compensation for a family member, provided that the immediate family member is included only as a member of a class of persons or a group, and the immediate family member benefits to no greater extent than any other similarly situated member of the class or group.
