Motion by Chandler

Yes-All

Approve April 30, 2022, Financial Statement subject to audit and authorize signatures of County Treasurer Nicole Law and Jude Executive Mason Barnes

Judge Barnes announced that early primary voting will begin at the Historic Courthouse Thursday, May 12th through Saturday May 14th from 8 AM until 4 PM and Tuesday's Election Day, May 17th from 6 AM until 6 PM at the Historic Courthouse, the Ag Building at the Community Park, and Simpson Elementary on Witt Road

Judge Barnes announced that the May 17th regular meeting of Fiscal Court is cancelled with a special-called meeting scheduled for Tuesday, May 24th at 8:30 AM since the Historic Courthouse is a polling place from 6 AM until 6 PM on May 17th. He also reported to the court that a Simpson County resident had inquired about a county noise ordinance due to the operation of the Hanson Rock Quarry which is currently at an increased level of operation with the I-65 south widening project. There was no inclination of the court to take any action on this matter. He continued by reporting that he and Facilities Maintenance Supervisor Bill Rohrs had met with a representative of an architectural firm that specializes in the design of government buildings about the construction of a new County Clerk/PVA office building on the county-owned lot at the corner of East Kentucky Avenue and North Court Street. Since the current office space is approximately 5,600 square feet, a proposed 8,000 to 9,000 square-foot two-story building would offer additional space and fit this lot size (approximately 128' x 123') with some adjacent on-site parking spaces as well. The consensus of the court was to begin the process of discussion with PVA and County Clerk and get an estimated cost for an architectural and engineering proposal from compilation of ideas from all involved for this estimated two-million-dollar project.

Magistrate Chandler requested again that a letter be written to Kentucky Fish and Wildlife requesting that the hunting zone for Simpson County be changed to increase the limit on deer since the deer population continues to rise resulting in an increase in motorists sustaining significant damage to their vehicles and the potential for personal injury as well. Judge Barnes will follow-up with this as requested.

Parks Board member, Magistrate Downey reported that the Little League Regional Tournament will begin the end of June and Youth Soccer sign-ups will be held this month. The seven industrial softball teams will begin playing in July. He said that Parks Director Lisa Deavers has received a quote on the Parks Master Plan and will send that to the City and the County for review and funding assistance for implementation. Boys and Girls Club National Conference is being held this week in Chicago with some of the local staff and board planning to attend. Mr. Downey thanked Bobby Groves and his county road crew for their efforts on Hatter Road as that widening and resurfacing project is now complete.

Jailer Eric Vaughn reported that \$125,00 for COVID relief money for jails has been received and that there could perhaps be more available if other jails don't apply for

Fire Rescue Chief Leslie Goodrum reported that three years ago his department started setting aside state aid reimbursement money for a line item to purchase hydraulic extrication equipment. He can purchase a couple of pieces of this equipment at a substantial savings because it has been used as demo equipment and he was seeking the court's blessing which he received.

Public Works Director Bobby Groves asked Fiscal Court to submit their list of roads for resurfacing.

Motion by Chandler Adjourn. (9:48 AM)
