Judge Barnes reported that Simpson County Schools has requested additional funding for the School Resource Officer program and to have an interlocal agreement between the school, county and city. The initial startup year will be approximately \$450,000 and then year over year at approximately \$375,000. In a discussion, Simpson County Schools has the ability to cover \$175,000 and would like the city and county to cover \$100,000 each year over year through an interlocal agreement. Magistrate Marty Chandler requested a breakdown of funding and it was provided to court on their portals. Judge Barnes recommended the possibility of community involvement by having corporate sponsors to help fund this program going forward.

Magistrate Chandler questioned Jailer Eric Vaughn why every county department except for the jail uses Go To Communications as their phone system. Judge Barnes inquired about cost savings and commented on the convenience of transferring calls between departments. IT Operations Adam Wilshire explained there wouldn't be much cost savings due to the amount of phones the jail would need.

Judge Barnes announced that the F-S Chamber of Commerce Member Appreciation Cookout will be September 29th from 11a-1p.
