FOR THE COLLECTION, TRANSPORT AND DISPOSAL OF SOLID WASTE,  
AND COLLECTION, TRANSPORT, RESALE OR REUSE  
OF RECOVERABLE (RECYCLABLE) MATERIAL AND OPERATION OF A  
CONVENIENCE CENTER AT 2416 KENNETH UTLEY DRIVE, FRANKLIN,  
KENTUCKY FOR SIMPSON COUNTY AND THE CITY OF FRANKLIN, KENTUCKY**

**1. GENERAL INFORMATION**

- a. Simpson County Fiscal Court (herein after referred to as the County) and the City of Franklin, Kentucky, (herein after referred to as the City) is requesting sealed proposals for the collection, transport and disposal of all commercial and residential solid waste, wastewater treatment plant waste, and oversize goods within the County and City franchise areas; as well as the collection, transport and resale or reuse of recoverable (recyclable) materials within the corporate limits of the City of Franklin, Kentucky, and provide a convenience center using County property located at 2416 Kenneth Utley Drive, subject to the conditions and limitations expressed in this Request for Proposals (hereinafter “RFP”).
- b. All RFP forms, information and specifications regarding this proposal are available on the County website at [www.simpsoncountky.gov](http://www.simpsoncountky.gov) and on the City website at [www.franklinky.org](http://www.franklinky.org).
- c. Sealed proposals will be received at the Office of the Judge Executive at the Simpson County Court House at 100 Courthouse Square in Franklin, Kentucky, until 9:55 a.m. C.D.T. on April 17, 2026. RPF submissions must submit two (2) copies of its sealed proposal marked "Solid Waste Proposal" and should clearly identify the name of the respondent on the outside of the envelope. Sealed proposals should be addressed and delivered by mail or in person to:

County Judge Executive Mason Barnes  
Simpson County Court House  
100 Courthouse Square  
Franklin, KY 42134

- d. Respondents shall carefully examine this bid and any addenda issued. Respondents shall seek clarification of any ambiguity, conflict, omission, or other error in this bid in writing. Oral comments or communications do not form any part of this bid offering. Questions regarding the RFP should be submitted via email to Kenton Powell, City Manager at [kenton.powell@franklinky.org](mailto:kenton.powell@franklinky.org) and/or Mason Barnes, County Judge Executive at [mbarnes@simpsoncounty.us](mailto:mbarnes@simpsoncounty.us) by April 15, 2026. Questions submitted after this date will not be answered. If the answer materially affects this procurement, the information will be issued in an addendum. It is the responsibility of the Responder to verify, via the County website at [www.simpsoncountky.gov](http://www.simpsoncountky.gov) or the City website at [www.franklinky.org](http://www.franklinky.org) if an

addendum has been added to this invitation to bid.

- e. Proposals will be opened on or about 10:00 am CDT in the Office of the County Judge Executive at the Simpson County Court House on April 17, 2026. Proposals must be received by the designated date and time, and none will be considered thereafter. Respondents are invited to be present for the opening of the proposals submitted.
- f. The General Bidding Requirement statutes of the Commonwealth of Kentucky (KRS 424.260) and any applicable Code of the City of Franklin, Kentucky shall govern this bid.
- g. The County and City reserve the right to reject any and all bids received in response to this bid offering, and to waive any informalities in this bid offering. The award of a contract shall be at the sole discretion of the County and City. The award of this bid will be made on the basis of the lowest evaluated bid price meeting specifications as permitted in KRS 45A.365, taking into consideration the evaluation factors set forth in this bid package. The County and City may make the award without further discussion of the bids submitted. Therefore, the bid should be submitted initially on the most favorable terms which the Respondent can bid with respect to price, product, service, and technical capability. The contents of the bid for the selected Respondent will become the basis for the County and City contractual obligation when the award is made.
- h. The successful Respondent shall be required to maintain, for a period of five (5) years from the date of final payment to the Respondent, all books and records pertaining to this bid offering.
- i. The County and City adhere to the provisions of the Kentucky Revised Statutes and their respective ethics ordinances relating to conflicts of interests, gratuities, kickbacks, and use of confidential information in all bid offerings. If it is found that the Responder is in violation of the foregoing, the County and City, by written notice to the Responder, may cancel this contract.
- j. Respondents are encouraged to submit with their bids any literature, warranty information and other documentation to support the Respondent's compliance with the specifications contained in this RFP.

Respondents are advised that proposals submitted as part of this offering may not be withdrawn for a minimum of 90 days following the public opening unless circumstances justify consideration by the County and the City of a release from provision. Requests to withdraw a proposal must be by email to Kenton Powell, City Manager at [kenton.powell@franklinky.org](mailto:kenton.powell@franklinky.org) and Mason Barnes, County Judge Executive at [mbarnes@simpsoncounty.us](mailto:mbarnes@simpsoncounty.us) within twenty-four hours of the public opening.

- k. All materials submitted in response to this bid offering will become property of the

County and the City. One (1) copy of each bid shall be retained for the official files and will become a public record after an award is made, and thus open for public inspection. It is understood that the bid will become part of the official file without obligation on the part of the County or City except as to the disclosure restrictions contained in paragraph 2 e below.

1. Prior to entering into a contract with the County and the City, the successful Respondent must provide the following information:
  - i. The name of every company bearing an interest in the proposed goods and/or services to be provided in this bid offering.
  - ii. The name, title, address, and telephone number of individuals with authority to contractually bind the Respondent; and,
  - iii. A designated person(s) who can be contacted by the City of Franklin, Kentucky during the bid evaluation period. This information shall include the person's name, title, address, telephone number, fax number and Internet E-mail address if available.

## **2. RESPONSIBILITY OF RESPONDERS**

- a. It is the responsibility of the Respondents to understand this RFP and to inform themselves of any and all conditions under which the resulting franchise or franchises is/are to be carried out. As part of its proposal, the Responder should clearly state assumptions used and may provide comment on any of the requirements in this RFP and offer any additions, deletions, or modifications to the scope of services described in this RFP.
- b. It is the responsibility of the Responder to understand and comply with all relevant sections of federal and state statutes and regulations affecting waste management, including but not limited to, Chapters 109 and 224 of the Kentucky Revised Statutes.
- c. The Responder also is required to understand and comply with all applicable local, state, and federal laws and regulations. If the Respondent's response includes goods and services provided by others, the Respondent will be required to act as the prime contractor for all such items and must assume full responsibility for the procurement, delivery and quality of such goods and services.
- d. The Respondent will be considered the sole point of contact regarding all stipulations, including payment of all charges and meeting of all contractual requirements resulting from this bid offering.
- e. In compliance with Kentucky Revised Statutes and the Kentucky Open Records Act, trade secrets or proprietary information submitted by a Respondent in connection with this procurement shall not be subject to public disclosure. However, the

Respondent must invoke this protection prior to or upon submission of the data or other material and must identify the specific area or scope of data or other materials to be protected and state the reasons why protection is necessary. An all-inclusive statement that the entire bid is proprietary is unacceptable. A statement that costs are to be protected is also unacceptable. Disputes over disclosure will be resolved by the County and City based on legal advice provided by their legal counsel.

### **3. CONDITIONS OF SUBMITTAL**

Submittal of a proposal in response to this RFP shall be deemed acknowledgment and acceptance of the following conditions:

- a. All costs incurred in connection with submitting a proposal are borne by the Responder.
- b. The County and City reserve the right to reject any or all proposals.
- c. The County and City reserve the right to accept multiple proposals and grant an exclusive franchise as it deems to be in the best interest of the County and the City.
- d. The County and City shall have sole discretion in evaluating the Responder's qualifications and its proposal.
- e. The County and City are not bound to accept any proposal deemed contrary to their best interest.
- f. The County and City reserve the right, without prior notice, to supplement, amend or otherwise modify this RFP at any time.
- g. When two or more proposals are deemed equal, the County and City reserve the right to make distinctions between the two in its discretion.
- h. It is the Responder's responsibility to review and verify the completeness of its proposal.
- i. The County and City may request additional information or more detailed information from any Responder at any time.
- j. All proposals become the property of the County and City will not be returned.
- k. The County and City request that Responder send representatives, at the Responder's cost, to meet with the County and City, or its duly authorized representative(s) as part of the process of evaluating proposals. The County and City may require Responders to make available for inspection any site(s) owned,

constructed, or operated by Responder at Responder's cost.

- l. The County and City may conduct investigations with respect to the qualifications and/or referenced projects of any Responder.
- m. Proposals will not be considered from any company, firm, person, or party with whom the County and City have a dispute or outstanding financial claim.
- n. The County and City shall award an exclusive franchise for the services described in this RFP in its discretion after evaluating and reviewing proposals submitted using the following criteria: company/staff experience and qualifications, services to be provided, and rates for services and franchisee fee to be paid. The rates for services will not be the sole determining factor in the selection of a franchisee. Any deviation in the proposed terms, financing, fee structure, or anticipated monetary involvement of the County and City from that set forth in this RFP should be clearly stated in the proposal and may be considered in the evaluation of proposals.

#### **4. DESCRIPTION OF CURRENT SOLID WASTE MANAGEMENT SERVICES**

The City of Franklin has approximately 10,176 residents (based upon the 2020 census figures). Presently, the City has in place mandatory solid waste collection, and currently has approximately 3,900 residential and 400 commercial customers. Simpson County has approximately 9,418 residents (based upon the 2020 census figures excluding City residents) and currently has approximately 2,840 residential and 150 commercial solid waste customers. The current franchise agreement with the County and the City terminates June 30, 2026. Since the inception of the County's last contract in 2019, the City has annexed several areas/territories. However, since these areas were covered under the County's franchise agreement prior to the annexation, they will continue to be served by the County's franchisee until the expiration of said agreement, at which time the City's franchisee shall begin servicing the annexed area.

#### **5. DESCRIPTION OF CONTEMPLATED FUTURE COLLECTION SYSTEM**

- a. Based upon proposals received pursuant to this RFP, the County and City intends to award an exclusive franchise for the collection, transport and disposal of household, commercial and industrial solid waste, and for the collection, transport and resale or reuse of recoverable (recyclable) material from households and commercial establishments within the geographic limits of the City and operation of the convenience center using County property located at 2416 Kenneth Utley Drive. At this time, the City plans to continue a city wide mandatory solid waste collection system.
- b. While proposals must address the services described in the RFP, in addition, responses may include comments on the services described in the RFP, and suggest novel, innovative, and resourceful approaches to solid waste management and recycling/resource recovery which differ from the services described by this RFP.

- c. The initial term of the franchise agreement will be seven (7) years, with an option to renew for one (1) additional seven (7) year term. There will be a review of Franchisee's performance after one (1) year, and if Franchisee is not performing its duties suitable to the County and City, the County and City shall have the right to terminate the agreement. The franchise agreement will be negotiated immediately following acceptance of a qualified proposal by the County and the City to take effect upon the expiration of the existing franchises.
- d. The franchisee(s) shall the County and City a percentage of its gross receipts attributed to services performed under the franchise awarded by the County and City.
- e. The County and City reserve the right to recoup from the franchisee any additional costs deemed necessary by the Commission, including costs for legal or consulting services incurred while performing its statutory duties relating to solid waste management and recycling/resource recovery.
- f. The resulting franchise agreement(s) will be administered by and through the City Manager and the City Finance Director for the City and by the County Judge Executive for the County.
- g. All activities relating to the performance of solid waste management services and recycling/resource recovery required under the contemplated franchise agreement(s), including but not limited to the development, permitting, financing, construction and operation of all necessary equipment and facilities shall be the responsibility of the selected franchisee.
- h. The provision of all services required by the franchise agreement will be subject at all times to all applicable federal, state and local laws, ordinances, rules, regulations and requirements (including, but not limited to those relating to environmental matters). Knowledge of and about any and all laws and regulations pertinent to solid waste management and recycling/resource recovery is the responsibility of the Responder. The selected franchisee must be able to obtain and provide the necessary regulatory and license approvals and/or permits for performing the services described by this RFP under the franchise.

## **6. REQUIRED INSURANCE AND BONDING**

- a. Evidence of insurability will be required, and bonding requirements will be a part of the franchise agreement(s). The following minimum insurance coverage must be in effect during the life of the franchise agreement(s):
  - i. Comprehensive General Liability with a minimum of \$2,000,000
  - ii. Automobile Liability with a minimum of \$2,000,000
  - iii. Workers' Compensation as required by the laws of the Commonwealth of

Kentucky

- b. All policies must be endorsed to provide the County and the City with thirty (30) days notice of cancellation and/or restrictions and has name the County and the City as additional insureds. The Franchisee will be responsible for all costs associated with this coverage.

## **7. PROPOSAL REQUIREMENTS**

To assist in the evaluation of proposals resulting from this RFP, it is requested that each proposal be written in a concise and forthright manner and take the following form. The completed response from each Responder must include following information in items 8 through 12 below as well as Exhibits A-F.

## **8. GENERAL INFORMATION**

- a. Full name, complete address, and telephone number of Responder, including name and title of primary contact.
- b. If Responder is a corporation, supply the following information:
  - i. State of incorporation and Certificate of Existence.
  - ii. If the Responder is a foreign corporation, attach authorization to do business in Kentucky.
  - iii. The names and addresses of any stockholder owning more than 10% of any stock. If any stockholder is a corporation, attach its Certificate of Existence and a corresponding list of stockholders owning more than 10% of any class of stock.
- c. If Responder is a partnership or other business form, supply the following information:
  - i. Type of partnership or business form, date formed, state in which formed (attach copy of partnership agreement if applicable); and
  - ii. List all partners or participants, their complete address and percentage of participation. State the extent each is involved in the day-to-day activities of the business.

## **9. ORGANIZATIONAL INFORMATION**

- a. Submit a chart depicting key personnel, organizational structure, and the overall approach to management and supervision in performing all proposed services.
- b. Attach copies of the resumes of key personnel. Highlight involvement in projects comparable to the work proposed for this project.

## **10. PREVIOUS EXPERIENCE**

- a. Responders must have experience in providing services similar to the proposed services and provide the following information:
  - i. Name and location of prior experience.
  - ii. Brief description (including specific roles and responsibilities).
  - iii. Name and contact at that facility and telephone number.
  - iv. Date of contract or franchise.
  - v. Scope of work performed.
  - vi. Date work commenced and date completed.
  - vii. Indicate any problems and how these were resolved.
  - viii. Premature termination of contract or franchise if any.
  - ix. Notice of violations issued by a local, state or federal authority.
  - x. Lawsuits arising from performance of services.
- b. If the Responder has no experience in providing services similar to that proposed, the Responder must explain the Responder's belief that it is nonetheless qualified and must be able to demonstrate its ability and qualifications.

## **11. FINANCIAL RESPONSIBILITY**

- a. It is incumbent upon the Responder to demonstrate its ability to bond, insure and finance the work contemplated in its proposal.
- b. Performance bonds will be required under the franchise agreement at a level sufficient for the County and City to take over equipment and operations of the system for one hundred twenty (120) days. An unexecuted copy of the form of these bonds to be executed upon signing the franchise agreement and letter from the bonding company or the bonding company's agent that the Responder is an approved client, and that bonding capacity is available for the project must accompany the proposal. If the Responder intends to obtain bonding indirectly or via another entity, a statement of that fact must be included.
- c. The financial ability of the Responder to execute the work contemplated in the proposal, include audited financial statements or other financial information for the past three-year period that will enable the City and County to ascertain the

Responder's financial ability to perform all requested services.

- d. Furnish a list of not less than five business references, showing full name, complete address, telephone number, and contact.
- e. Furnish a letter from an insurance agent that the minimum coverages described in Section 6 of this RFP are either in effect or available to the Responder upon execution of the franchise agreement.

## 12. PROPOSED SCOPE OF SERVICES

Responders may submit a proposal for all described services or only those services in which the Responder is interested. In all cases, proposals shall identify clearly the services included, and how the Responder intends to carry out the described services, including whether the Responder intends to hire its own work force or plans to use a subcontractor to perform any services.

### a. SOLID WASTE COLLECTION SERVICES

#### i. HOUSEHOLD SOLID WASTE

1. The proposal shall contain a description of the household waste collection service to be offered all households, including multi-family dwellings, located within City and County, including the type and size of container to be provided. **If the Responder submits a bid based upon this section, for City service, the Responder should provide up to two (2) suitable containers to all household customers for pick-up. If a customer requests additional container from the franchisee, the franchisee is responsible for contacting the City to include a charge for the additional container. The additional charge for this additional container should be included to this RFP. For County service, the Responder should provide one (1) suitable container to all household customers for pick-up and allow up to five (5) bags for County residential units.**
2. The proposal shall allow for the collection of bulky items and white goods, including but not limited to chairs, sofas, mattresses, bedsprings, large appliances and carpet, gutters, metal or wood fencing, posts, playground boxes, shingles, brick, lumber, toys, bicycles, tricycles, plastic swimming pools, plumbing fixtures, siding, concrete, paneling, stones, etc. from households on a weekly basis. The proposal shall include a set of guidelines regarding restrictions on the size and quantity of oversized materials.
3. The proposal shall specify the monthly rate to be charged the

customer if an exclusive franchise for collection of household solid waste was issued considering/pricing the following alternatives:

- a. Pick up at curb – the Responder must describe its plan to accommodate the needs of customers requiring assistance with placement of their solid waste container at the curb.
- b. Pick up at back door
- c. Oversize collection as separate service
- d. Provision of solid waste container

**4. In addition, if the Responder bids under the household option pursuant to this section, Responder should consider pricing based upon the fact that there will be approximately 400 households that receive a 10% senior citizen discount.**

ii. COMMERCIAL AND INDUSTRIAL SOLID WASTE

The proposal shall contain a description of the commercial and industrial waste collection service it would offer commercial and industrial generators located within City and the County. At a minimum, the description must include container size, pickup frequency, pickup method, pickup schedule, and rate to be charged the customer.

b. SOLID WASTE COLLECTION SERVICES – FRANKLIN WASTEWATER TREATMENT PLANT

- i. Responder shall provide to the City of Franklin containers which are suitable for loading, transporting, and unloading the sludge cake from Franklin’s Filter Belt Press to the Landfill. The containers shall be twenty cubic yard size. Further, Responder shall line every container with plastic at the beginning of the term of this agreement, and Responder shall replace the plastic liner for each container each time it is emptied. Responder shall accept sludge cake on an “as needed basis” from the City of Franklin and will transport the sludge cake in 20-yard containers. Title to the sludge cake will vest in Responder at the moment that the cake is placed in the containers, which will be maintained at the City’s Wastewater Treatment Plant, but owned by Responder. Responder warrants and represents that its method of hauling and disposing of sludge cake is in full compliance with all local, state, and federal laws and regulations, including but not limited to the laws and regulations regarding the proper environmental disposal of the wastes which are the subject of this Agreement. Responder agrees to indemnify and hold the City harmless as a result of any claim relating to the improper disposal of the sludge cake and shall bear the cost of defending any such claim.

- ii. Responder shall be responsible for all transportation of sludge cake from the Franklin Wastewater Treatment Facility located at 1010 Blackjack Road, Franklin, Kentucky to the Landfill or other licensed and approved disposal facility. Responder shall comply with all local, state, and federal laws with regard to transporting the sludge cake and agrees to indemnify the City and to hold the City harmless as a result of any negligence on the part of Responder, its agents, or employees. The City shall have no responsibility for or control over the transportation of sludge cake.
  - iii. Responder shall pick up containers at the Franklin Facility on a “call-in” basis between the hours of 7:00 a.m. and 3:30 p.m., Monday through Friday. Responder will pick up full containers only. Responder shall complete pick up on calls for service received before noon on the day that the request is made. Calls received after noon will need to be serviced the following morning. This does not preclude the City and Responder to mutually agree on services and/or times outside the above guidelines or during “Emergency” situations.
- c. COLLECTION AND TRANSPORT OF RECOVERABLE (RECYCLABLE) MATERIAL – CITY OF FRANKLIN
  - i. The proposal shall contain a description of the collection service for recoverable (recyclable) materials generated by households located within the geographic limits of Franklin, with collection occurring at least weekly from the curb from all single family households. The Responder must describe its plan to accommodate the needs of customers requiring assistance with placement of their recoverable (recyclable) material container at the curb.
  - ii. Multi-family dwellings shall be treated as single-family dwellings unless solid waste collection for the dwelling is via a common dumpster. Multi-family dwellings with solid waste collection service via a common dumpster rather than back door service must be provided a common collection system to be described in detail in the proposal. The proposal shall describe the collection system, collection containers, collection vehicles, labor and equipment required to implement such a collection system, and charge, if any, to consumers.
  - iii. At a minimum the proposal shall provide for the collection of the following: newspapers, glass (all colors), tin and bi-metal cans, aluminum cans, plastic containers (PET/HDPE), NCR paper, magazines and circulars (slick paper) and cardboard.
- d. CONVENIENCE CENTER AND RECYCLING DROP OFF
  - i. Franchisee shall provide a convenience center utilizing the County property

located at 2416 Kenneth Utley Drive. County has made and will continue to make the property available under the same terms and conditions as currently made available to the current franchisee.

- ii. Franchisee shall provide adequate number of open top containers for the smooth and efficient operation of the Convenience Center in order to reduce any unnecessary delays to customer utilizing the Convenience Center.
- iii. Franchisee shall provide compartmentalized containers to collect sorted Recyclable Material delivered to the Convenience Center by County residents.
- iv. Franchisee shall empty bulky items and recycling containers as needed to keep the Convenience Center operating smooth and efficiently.
- v. The Convenience Center shall be manned and open Tuesday and Friday, 8:00 am to 4:30 pm and Saturday 8:00 am to 12:00 pm, but will be closed Sunday, Monday, Wednesday, and Thursday.
- vi. The Convenience Center shall accept the following recycling items free of charge (newspapers, tin and bi-metal cans, aluminum cans, plastic containers (PET/HDPE), NCR paper, magazines and circulars (slick paper) and cardboard).

e. CONDITIONS/TERMS APPLICABLE TO ALL SERVICES

- i. Transport of household, commercial and industrial solid waste and recovered material.
  - a. The proposal shall describe the municipal solid waste transportation vehicles or recovered material collection vehicles to be utilized in the proposal and how spilling, leaking, or blowing of waste or recovered material shall be prevented. All vehicles must comply with state and federal regulations relating to the transport of solid waste or recovered material.
- ii. Disposal of household, commercial, and industrial solid waste.
  - 1. If the proposal includes solid waste management services, the proposal shall include disposal of all solid waste (not recycled or composted) at a solid waste disposal facility which meets all local, state and federal regulations pertaining to its operation. The franchisee shall be responsible for all disposal fees. A letter of intent from the operator of the solid waste disposal facility to be utilized by

the Responder must accompany each proposal.

iii. Collection of recoverable (recyclable) materials.

If the proposal includes the collection and transport of recoverable (recyclable) material, the proposal must describe the Responder's plans to separate and process all recovered materials prior to resale or reuse. Description should include details of all necessary equipment, facilities, and processing required to separate, sort, or otherwise prepare materials for the secondary market. The franchise will require that all marketable materials be sold on the secondary market or in an otherwise commercially reasonable manner or reused.

iv. Method of billing.

All proposals shall utilize the current method of billing customers.

1. For City service, the City of Franklin Municipal Utilities provides billing services for residential collection of solid waste and recycling for a fee. The City shall charge three percent (3%) for these services. The City accepts no responsibility for nor makes any warranties as to the collectability of fees billed individuals, businesses or other entities for services provided under a franchise(s) issued by the City. The Franchisee will be responsible for billing for all commercial and industrial customers other than commercial hand pickup customers.
2. For County services, Franchisee bills all participating County residential and commercial customers. The terms for applying credits or reimbursements to residential and commercial county customers for missed or skipped weeks without just cause as outlined in the contract shall be negotiated into the agreement by the County and successful bidder.

v. Rate system

1. The proposal shall contain a summary of rates to be charged to residents, commercial establishments, industries, and others utilizing collection services on the attached forms. Rates shall include all collection, processing, transport, and disposal costs. **In addition, proposed rates shall be broken down between the solid waste collection charge and the fuel surcharge. In other words, the City shall require the fuel cost to be a separate billing line item.**

2. The franchisee may be allowed an annual rate increase corresponding to a national cost of living index certified by the Bureau of Labor, provided the franchisee can demonstrate increased operating costs. Responders are encouraged to include an alternative system for rate increases.

vi. Franchise fee.

1. City services--The proposal must describe the percentage of its gross receipts attributed to services described in the proposal that will be withheld by the City as a franchise fee which is currently ten percent (10%). Franchisee must describe the percentage of its gross receipts attributed to commercials and industrial collections that franchisee bills that franchisee will remit which is currently ten percent (10%).
2. County services—Franchisee must describe the percentage of its gross receipts for residential and commercial customers which is currently five percent (5%), but no less than twelve thousand (\$12,000) dollars annually.

vii. City and County facilities.

The proposal must include without charge to the County or City the collection, transportation and disposal of solid waste and recoverable (recyclable) material from all city and county facilities in the service area. These facilities currently include:

1. City Hall;
2. City Maintenance Department;
3. City Water Plant;
4. City Wastewater Plant (except for sewer disposal addressed in Section 12.b herein);
5. City of Franklin Planning & Zoning Commission;
6. Simpson County Planning & Zoning Commission;
7. Simpson County Courthouse
8. Simpson County Clerk and PVA facility; Simpson County Justice Center facilities;
9. Franklin-Simpson County Parks and Recreation facilities;
10. Simpson County Regional Jail and Sheriffs office facilities;
11. Simpson County Road Department;
12. Simpson County Health Department;
13. East Washington Street Fire Station;
14. Macedonia Road Fire Station;
15. Coroner's Office;
16. Franklin Police Department;
17. Franklin-Simpson Boys and Girls Club;
18. Goodnight House;

19. Simpson County Archives (Old Jail facility);
20. Simpson County Animal Shelter; and,
21. County building known as the "Old Post Office" on 31-W.
